

Calling all Gifts...

The Gifts Discernment Committee seeks your assistance in calling and discerning leaders to serve in the many positions required to fulfill our mission and keep things running smoothly in our congregation. You can help in this process greatly in the following ways:

1. **Volunteer!** Our ideal is to call people to serve in the areas of their passions and sense of giftedness. To do so, we need to know where YOU feel called to serve.
2. **Suggest others** who may have particular gifts or potential for service. Perhaps you have connected with a new member or attendee and think they would be perfect for a certain area of service. Or maybe you have heard someone say that they would be interested in serving in a certain area if they were asked. Having one's gifts named by another is a powerful way the Spirit can call us into ministry and service.
3. **Pray!** For the process, potential leaders, and the members of the Gifts Discernment Committee as they work to discern and call people into service.

Please take some time to prayerfully consider the areas of opportunity and need below. Mark any and all in which you have some interest or to which you feel some calling yourself. On the reverse, offer the names of others who may have gifts or potential for serving in any of these same areas (can be specific or general areas). Please return to the church office or in the offering plate no later than **August 8**.
